

REMARKS

Amendment to the Specification

Applicant has amended the specification to perfect the claim to priority under 35 U.S.C. §120. Applicant has added no new matter with this amendment. The Examiner's cooperation in entering this preliminary amendment is appreciated.

Dated: July 25, 2002

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Alana M. Fuierer', with a long horizontal flourish extending to the right.
